COMPANY Profile

Swastik Foods Machinery – India’s Trailblazer in Roti Making & Food Processing Solutions

At Swastik Foods Machinery, innovation is in our DNA. As the original inventors of roti-making machines in India, we have been pioneering the industry for over 15 years, setting benchmarks in automation, efficiency, and reliability. Our roots trace back to a distinguished lineage of scientists, giving us a unique edge in combining traditional values with advanced engineering.

Since our inception, we have strived to revolutionize how India and the world experience food preparation—through machines that deliver perfection, hygiene, and consistency. What began as a vision has now grown into a full-fledged enterprise employing over 500 highly qualified professionals, each contributing their expertise to fuel our commitment to excellence.

Certified Quality You Can Trust

Swastik Foods Machinery is proud to be ISO 9001:2015 certified, a testament to our rigorous quality management systems. Every machine is produced in compliance with national and international standards, ensuring operational safety, food-grade hygiene, and superior build quality. Our processes undergo frequent audits and upgrades, reaffirming our position as a trusted and certified leader in the industry.

Comprehensive Product Portfolio

We offer a complete range of food processing solutions, thoughtfully engineered to cater to small, medium, and large-scale commercial kitchens, food factories, and hospitality establishments. Our product line includes:

Roti Making Machines – Fully and Semi-Automatic, capable of high-volume production with uniform texture and taste.

Dough Kneading Machines – Efficient mixers for uniform, smooth dough preparation.

Vegetable Cutting, Slicing & Chopping Machines – High-speed, precision cutting tools for various food applications.

Gravy, Masala & Pulverizer Machines – Designed to produce fine, homogeneous pastes and blends quickly.

Multi-functional Food Processing Machines – Built for bulk preparation and commercial kitchens.

Each machine is constructed using high-grade stainless steel, corrosion-resistant materials, and top-tier components, ensuring long-lasting performance and low maintenance costs.

Industry-Leading After-Sales Support

What truly differentiates Swastik Foods Machinery is our exceptional after-sales service. We believe our relationship with the customer doesn’t end with the sale—it begins there. Our dedicated service team ensures timely installation, on-site training, prompt support, and maintenance, making us renowned for the best after-sales experience in the market.

A Brand Built on Trust and Excellence

Over the years, Swastik Foods Machinery has grown into a symbol of trust, performance, and integrity. We are not just a machinery manufacturer—we are partners in progress for thousands of food businesses across India and beyond.

When you choose Swastik, you choose a legacy of innovation, unmatched quality, and a commitment to your success. Let’s shape the future of food processing—together.
